- The extent of involvement of the local community was left to the State.
- Under the earlier schemes, the task of maintenance of rural electricity infrastructure was with the State Utilities which did not have the necessary manpower in the rural areas; as a result substantial infrastructure became useless.

(c) Under Rajiv Gandhi Grameen Vidyutikaran Yojana assistance of major Central Public Sector Undertakings in the power sector, namely National Thermal Power Corporation, POWERGRID, National Hydro-electric Power Corporation & Damodar Valley Corporation has been offered to States. In 134 districts presently, CPSUs have been allocated rural electrification work and works in rest of the districts are to be executed by State power utilities/discoms. The State Power Utilities and CPSUs, under domestic competitive bidding have awarded the turn-key contracts for execution of works against sanctioned projects to the successful bidders.

(d) 65,000 villages are targeted for electrification under Rajiv Gandhi Grameen Vidyutikaran Yojana during Eleventh Plan. For 2007-08, it is targeted to electrify 20,000 unelectrified villages and the balance 45,000 in 2008-09.

Investments in power sector

88. SHRI T.R. ZELIANG: Will the Minister of POWER be pleased to state:

(a) the details of investment in Public, Private and Central sector made in power sector in the different parts of the country, State-wise during the last three years; and

(b) if not, the reasons therefor?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) The details of expenditure incurred by Central Power Sector Undertakings in the power sector during the last three years is at Statement-I *(See* below*)*. Expenditure incurred by States/Union Territories in the power sector is at Statement -II *(See* below*)*. Private Sector expenditure in the power sector is not being maintained by the Central Electricity Authority.

(b) Does not arise.
